* The Secretary of State's Office provided an updated Certified List of Candidates to the Monongalia County Clerk's Office on February 23, 2022 after the Drawing for Ballot Positions was conducted on February 22, 2022 at 9:00 a.m. per WV Code. The explanation given verbally by the SOS was the Senatorial District for a candidate in the following contest was incorrect on the candidate's Certificate of Announcement and the SOS moved the candidate into the correct district and the ballot positions for the contest in the 2nd Senatorial District need to be redrawn. The ballot positions for the 13th Senatorial District in the contest will remain in the same respective order after the candidate's name is removed from the 13th Senatorial District to the 2nd Senatorial District*

The Monongalia County Clerk’s Office received notification on Friday, February 25, 2022, from the West Virginia Secretary of State’s Office that two additional candidates had been certified by the Secretary of State’s Office to appear on the 2022 Primary Ballot as were appointed by their respective County Political Party Executive Committee pursuant to the West Virginia Legislature approving HB 3303 during the 2022 legislative session.

Republican Steven Harris appointed to the House of Delegates 81st Delegate District contest.
 Democrat Katie Fallon appointed to the House of Delegates 82nd Delegate District contest.

The addition of these certified candidates to the ballot did not necessitate a re-drawing for ballot positions because both candidates are the sole representative for their political party in their contest.
